COLOUR CONSULTATION

Everyone is an individual and with so many colouring techniques and options available it can sometimes be confusing for you deciding specifically what you need for your hair.

This is where we take the confusion and risk away for you. This unique and complimentary service will offer you the most professional and up to date advice in the area.

COLOUR PATCH TEST

Your health and safety in the salon is our first priority. Before your first hair colour, we colour patch test to ensure there is no risk of reaction. This test is done 48 hours before treatment and can be done at your initial consultation.

CURLS & VOLUME

Adds volume and wave to hair that lacks body.
